 You may need to "CREATE AN ACCOUNT" if you have never used ScholarOne before – the account creation is very straightforward (see the screenshot here).

Otherwise, you can **log in** using your existing credentials (i.e. if you have used this platform as an author or reviewer for another journal). If you have an existing ORCID ID, you can enter these credentials too.

	0	Eastern Wisdom and quantum science		
	* Title			
	Preview Ω Special	0 out of 10 words		

You are also required to enter the **title** (no longer than ten words – note that this is primarily for reviewing purposes and your actual title can be longer, but in general we recommend that you try and be concise and evocative), and to submit an **abstract** of no more than 250 words.

5. The next steps guide to you upload the files (i.e. anonymized manuscript for review, named manuscript not for review, title page and bio details, any relevant appendices); to submit keywords; enter your co-author(s)'s details if applicable; and upload a cover letter before you are ready to submit your manuscript for peer-review.

6. Once your manuscript has been submitted, you will be able to check the status of the review process from your **Author Dashboard**.

Please contact the guest-editors if you have questions regarding this process.

Thank you!
